

General Psychology Research Articles

Important note: To access an article, either from campus or off campus, click on the article's permalink under that article's full reference. You will be prompted to use your MTSU credentials to sign in to the MTSU library website, and then you should be directed to the full text article. If you are using a computer off campus, clicking on the doi link will not work.

- 1) Jamil, B., & Su, J. (2025). Multidimensional social support and associations between COVID-19 stress and depressive/anxiety outcomes among Hispanic/Latinx and White first-year college students. *Journal of American College Health: J of ACH*, 73(4), 1490–1501.
